Week ending: 6th October 2017

small school BIG dreams

email: admin@tewincowper.herts.sch.uk

tel: 01438717378

We are looking forward to seeing you next Wednesday at Parent Consultations. You should be able to sign up for a slot on your smartphone, via the SchoolPing app. If you have any issues, please contact the school office so that you can be allocated a time. Each consultation is for ten minutes and provides an opportunity to discuss with your child's teacher(s) how well they have settled in, their attitude to their learning and motivation; it is important you also know their maths and English targets; we hope you will be impressed by their progress so far when you look at their books and see what they have been learning since the start of term.

HAVE A BROWSE

If you have a few moments to spare, please take a look at our lovely hall displays on the theme of 'Creation'.

There is also a display book in the foyer of Oak Tree Class homework designing 'Generositrees' which links in with our value of Generosity. They created some beautiful, thoughtful artwork.

PARENT GOVERNOR

We are delighted to announce that Alex Wearne has been appointed as the new Parent Governor.

TRAFFIC AND TRAVEL UPDATE

We have been notified of road closures due to road surfacing work between 9th and 12th October in the following areas: between Hertford Road to Upper Green and South Side of Green and between Lower Green and Holly Bush Houses. The works will be carried out between 9.30am and 4.00pm each day but are weather dependent and subject to postponement if conditions are poor. Access to the village will be via Churchfield Road from the B1000. We would ask that you allow extra time for your journey and be mindful of our neighbours when parking. As always we would ask that you do not drive down Cannons Meadow.

A big well done to Amelie Newbon, Eva Cullen, Jemima Cox and Mimi Bishop for completing their first night hike as Girl Guides. After a rigorous kit checked they set off with their leader at 7.30pm. They had to work together to find their way and keep going on a long and challenging walk, only returning at 1.30 in the morning! What an adventure and a great achievement.

Well done girls.

Extras to support your child's learning

Please make sure you register for Free School Meals if you are entitled, even if your child is in reception or Key Stage 1 and automatically has them. The school receives additional money for those who are registered which means we can enhance our provision for your child. Anyone registered will be given a free school jumper, a book bag and a Morrison's voucher by the school. It is so easy to register or check whether you are eligible.

Simply go on line to:

www.hertfordshire.gov.uk/freeschoolmeals - it's quick and easy to do.
