Dear Parents and Carers

We have noticed recently that there has been an increase in the number of people walking dogs to school. We appreciate that picking up children from school is an excellent opportunity to exercise dogs and children love to meet their pets at the end of the day. However, we are asking that dogs are not brought on to the playground for health and safety reasons. We would also ask that dogs are not tied up at the front gates but a little further along on the wire fencing. We are aware of children and adults who have allergies or phobias with dogs and feel that making these changes will ensure that we keep any health and safety issues to a minimum.

Please do not hesitate to contact me if you wish to discuss this matter further.

Yours sincerely

Mrs Alison Simpson
Headteacher
