Dear Parents and Carers

PARKING

We are having ongoing problems with parking issues in Cannons Meadow. Several incidents have occurred recently, including damage to a neighbour's property. We do appreciate your commitment and co-operation in adhering to our travel plan, as we are aware that this can add time to your journey to and from school and, particularly when the weather is bad, can be tedious. However, having spent many hours liaising with the police and the council, we need to take every precaution we can to ensure that health and safety takes precedent.

I would remind you of our request **not to tie dogs up near the gate** as this causes problems for staff entering and leaving the car park. The wire fencing just along from the gate is much safer for this.

If you, or any family and friends, are coming down Cannons Meadow at any time, including an early drop-off or late pick-up, **please do not turn left into our stretch of Cannons Meadow**. There is not much room to do a U-turn and on many occasions, has created problems for our neighbours. **The only people entering the car park should be staff or official visitors to the school**. A notice will be put on the fence outside the school requesting visitors not to park there.

Many valuable hours have been spent trying to alleviate difficult stressful situations, which hopefully these measures will prevent recurring. Please do not hesitate to contact me should you wish to discuss any of these matters.

Yours sincerely

Mrs Alison Simpson
Headteacher
