Mrs T.C. and the committee members reviewed the minutes of the 21st January meeting and 4th February and wished to have the following items added for consideration by the Senior Leadership Team and Mrs Simpson.

Pod Campaigns - Waste Week

From 24th March to 28th March 2014 inclusive

Everyone was asked to be more waste - aware. Lize agreed to make signs to be displayed around the school to encourage pupils to 'Think Before You Bin' - Reduce Re-use and Recycle. Ben agreed to make a sign to encourage pupils to reduce the amount of blue paper towels wasted by asking children to use only one towel per hand wash. The committee asked for more recycling bins around the school. Class teachers have stickers to give to those children who are consistently waste aware. Videos clips will also be shown during Assemblies to highlight the dangers to wildlife of litter, particularly plastic and plastic bottles. Year 6 children will be visiting Mitsubishi Electric, Hatfield on Friday to learn about how to reduce the use of energy.

Pond Redevelopment Area

This area was now looking great, with the bonus of lots of planting around the swimming pool garden edge. A big thank you again to Mr and Mrs Carley for securing donations and support from parents for this project. The children asked if money could be released from the PTA to buy the remaining things they would like to see in the pond and garden area. This was a good suggestion and the Wish list will be compiled and passed to the Senior Leadership Team and the PTA. (see over)

Eco Council - Wish list

Some of the items suggested were

A Buddy Bus Stop

Bird Bath

More bins for Litter in the Huff & Puff and main Playgrounds

A sculpture

A weather vane

A story chair for the Gazebo

A sundial

A few more benches for the garden

The next meeting will be held during the first half of the Summer Term
