### Homework in Chestnut Class

Dear Parents and carers,

In Chestnut class your child will bring home two pieces of homework every Monday to be given in on the following Friday. One piece will be a grammar or reading comprehension activity to support their learning in English. The second piece will be a maths activity sheet that will either recap or extend the learning that has taken place during the previous week; or it will be used as an assessment of what they already know about a unit we will be starting that week.

Each homework task should only take approximately 20-30 minutes to complete. If your child has tried their very best and has not managed to complete the task in that time, then that is fine. Just initial or sign their homework to show they have worked for the allotted time. I do not expect any children to sit for hours at a time stressing about any homework given.

If any children need some support with their homework, I am happy to go through it with them for 10 minutes at lunchtime should they need it. I do remind children about this at school. This is particularly useful if they are not sure on the task or method required. If a child does not complete their homework, they will be required to do so during lunchtime of the Monday it should have been returned.

In addition to the two pieces of homework set each Monday, I will also send out two Learning Log Tasks each half term. These will be linked to our current topic or science learning. These will be creative tasks and I will give 2 weeks for children to complete the Log in any way they wish.

I endeavour to send out homework consistently, however, there may be a few occasions where our timetable has shifted or we have been out of our normal structure and routines, this may mean I give out the homework on a different day. If this happens I will give children extra days to complete it.

**Your child's first homework tasks will be sent home on Monday 18<sup>th</sup> September 2017 (to be returned 22<sup>nd</sup> September). The first learning log task will be given on Monday 25<sup>th</sup> September (to be returned 9<sup>th</sup> October).**

If you have any questions, please come and see me.

Miss Mileham
