

10x Table - Spot the Multiples!

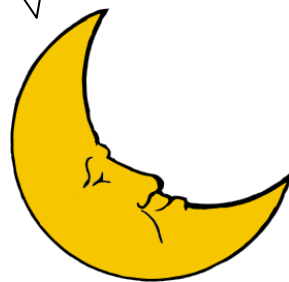

Look at the numbers in the explosions below. Which are **multiples of 10**? **Choose 2 colours**: use one colour for the numbers that **are** in the 10x table and the other colour for the numbers that **are not** in the 10x table.

Extra Challenge!

What do **all** numbers in the 10x table **end** with?

Write **3** more numbers that are in the **10x table**:

Extra, Extra Challenge!

Circle the numbers that are also **multiples of 10**:

400 205 2000
1200 1015 3370

Challenge!

Tick the answers from the 10x table that you found:

1×10	2×10
3×10	4×10
5×10	6×10
7×10	8×10
9×10	10×10
11×10	12×10
