

5x Table - Spot the Multiples!

Look at the numbers in the stars below. Which are **multiples of 5**?

Choose 2 colours: use one colour for the numbers that **are** in the 5x table and the other colour for the numbers that **are not** in the 5x table.

Extra Challenge!

What do **all** numbers in the 5x table **end** with?

Write **3** more numbers that are in the **5x table**:

Extra, Extra Challenge!

Circle the numbers that are also **multiples of 5**:

105 80 73

200 145 102

Challenge!

Tick the answers from the 5x table that you found:

1×5 2×5

3×5 4×5

5×5 6×5

7×5 8×5

9×5 10×5

11×5 12×5
